RE: Insurance coverage for Underground Storage Tanks
Eagle Stop & Save, Inc. (facility #4-260115)

Number of pages including cover sheet: 1

MESSAGE:

Geoff,

As discussed, I am currently working on underground storage tank liability insurance for Eagle Stop & Save, Inc. As soon as I have the coverage placed I will send you a Certificate of Insurance showing location and limit.

Thank you for your patience in this matter. Dustin Ramsey is concerned over the delay and wants me to handle right away. I think the only reason for the delay was a recent change in insurance brokers and insurance companies.

Let me know if you have any questions.

Thank you,

David M. LaRiviere
